

## “LTA Tennis Leaders Course” Feb 18<sup>th</sup> 2013

### What is it?

Tennis Leaders is aimed at 13 years plus and the content is suitable for older juniors just starting out on the tennis career pathway through to adult volunteers looking to support their local coach, referee or club official. Upon completion of the core module and at least one of the additional modules you can call yourself a “Tennis Leader” and start to help out at your local club, become an important part of your clubs coaching team and possibly earn a little extra money!

Once signed up, you will receive a student workbook and upon completion you will receive Certificates and an “LTA Tennis Leaders T-Shirt”.

At Halton we will be running LTA Tennis Leaders courses throughout the year during 2013, the courses will be delivered by our extremely popular “EBI Leadership Tutors”, Neale Proud and Danny West, who between them have over 30 years experience of working with this age group and will ensure that the course meets all your needs and at the same time is exciting and fun.

The course is a combination of “on-court” and “classroom” activities so please bring suitable clothing and a packed lunch. We really look forward to seeing you at Halton sometime during 2013, so don't delay, get yourself signed up, as places are limited.

Neale & Danny

***For more information and to book yourself on a course, please read overleaf .....***

## “Course Overview”

### Module 1. “Introduction to tennis”

You **must** take this module before the other Tennis Leaders modules.

- Know the basics of tennis; strokes, game formats and variations of the sport.
- Understand how these variations of the game are used to introduce tennis to people of all ages and abilities.
- Learn about effective communication and organisation skills.
- Put your skills into practice on court – in warm up activities and on court drills

### Module 2. “Leading a practice session”

- Know the attributes and responsibilities of a practice hitter.
- Understand the structure of a practice hitting session.
- Learn about the different types of feeding.
- Understand the 5 game situations of singles.
- Leading a practice hitting session.

### Module 3. “Helping at a competition”

- Consider the key actions before, during and after competition.
- Learn how to be a scorer for a mini tennis match.
- Learn how to organise a round robin group.
- Understand how you can support your competition organiser or referee.

Throughout the modules, you will also gain a better understanding of other key areas such as use of the appropriate equipment, physical capabilities of players of varying ages and health and safety on and off court.
